During the past 133 years, Mount Angel Abbey and Seminary have achieved many milestones, thanks to generous supporters who share our mission. We invite you to take a look at what these inspired partnerships have made possible ...
Dear Friends,

What would the world be like if we all sought to glorify God every day? That is the mission of Mount Angel Abbey and Seminary. And it is the mission of the Abbey Foundation of Oregon to sustain and support them. I am deeply grateful that you share this calling with us.

The purpose of this 2014-15 annual report is to share with you the joy and the credit for another very good year in the history of the foundation. As a fellow steward of the Abbey’s mission, you deserve a transparent report of our results. Happily, we have cause for celebration as we review the past year.

The Foundation has seen a 74 percent increase in gifts and pledged revenue over the past four years, with annual totals ranging from $2,315,457 in 2011-12 to $4,033,416 in 2014-15. This year alone, non-bequest revenues increased by nearly $1 million. Thank you for claiming the Abbey’s holy mission as your own, with your financial support, love and prayers!

Last fall, we engaged the Collins Group to conduct an audit of our fundraising operations and a feasibility study for a potential campaign. After interviewing hundreds of donors, they gave us some powerful advice. Most of you, they said, are very familiar with the seminary and its mission of priestly formation. However, fewer of you know the monks – who they are and why their life of prayer and work is vitally important to our region and the world. From you, we received these new marching orders: “Help us understand the monks of Mount Angel Abbey!”

As a result, we launched the first annual Saint Benedict Festival on July 11. More than 600 guests and volunteers spent the afternoon on the Hilltop sampling fare from Benedictine kitchens around the world, prepared by Bon Appétit chefs, and tasting our own Abbey ales and local wines. They played croquet and badminton with monks and filled the church to the brim for Midday Prayer and Pontifical Vespers. Many newcomers learned why we love Mount Angel Abbey.

The festival attracted an unusual amount of media and Facebook attention. In fact, The Oregonian featured the Abbey in a front-page story about the Benedictine way of life. We’ve learned that many people in our region yearn for an authentic spirituality, with roots that run 1,500 years deep. They are curious about our monks and their way of life. Perhaps they try the Abbey’s beer or visit the gift shop. They may sign up for a retreat, pray in the church, or sit in the sun with a friendly monk. Suddenly or gradually, they find their lives are changing. It happens all the time on the Hilltop.

With my fellow trustees, I invite you to share this treasured resource with your family and friends – I hope you will call our staff in the Development Office to arrange a visit. There is no place in the world like our Abbey!

Sincerely in Christ,

Jeff Yandle
President, Abbey Foundation of Oregon

2 | The Abbey Foundation of Oregon

The Abbey Foundation of Oregon promotes the financial vitality of Mount Angel Abbey by seeking special project funding and long-term endowments for the monastery, seminary, retreat and guest programs, and library. The trustees of the foundation work collaboratively with the Abbey of Mount Angel Abbey to implement the monastic community’s Benedictine vision of prayer and work in service to the Church in western Oregon and beyond.

“That in all things God may be glorified.”

– Rule of St. Benedict

Endowment Support

Gifts to endowed funds at Mount Angel Abbey and Seminary provide annual financial support for generations to come.

The Abbey Foundation of Oregon invests endowed funds, allowing the Abbey and seminary to spend a portion of the income earned from the investments each year. The remainder is added to the principle, which continues to grow. This extends the impact of our benefactors’ support into the future.

Some donors choose to create restricted endowed funds for a particular purpose, such as seminary education, facilities improvements or monastery support; the money in that fund can be used only to advance that purpose. Others establish unrestricted funds that further the Abbey’s mission; the Abbey has the freedom to determine which priorities the funds will support.

Establishing a new endowment fund in honor or memory of a loved one creates a legacy for the benefactor and for Mount Angel Abbey and Seminary. The minimum amount required to establish a permanently endowed fund is $50,000. Many benefactors create a fund and make annual contributions until the fund crosses the endowment threshold.

Our development staff would be happy to work with you to help turn your ideas into living endowments. For information, please contact Jodi Kilcup, director of development, at jodi.kilcup@mtangel.edu or 503-932-0173.
